## CUPS 2.5 and 3.0 Development

*Wednesday, 14 September 2022 15:00 (1 hour)*

In this session we will first finalize the features and roadmap for CUPS 2.5 which has a focus on OAuth and new container/sandbox/distribution-independent-packaging support. Then we will discuss the features and roadmap for CUPS 3.0 which implements a new simplified architecture for driverless printing.
