

Linux Plumbers Conference 2024

Contribution ID: 346

Type: **not specified**

Zoned Storage BOFs

Wednesday, 18 September 2024 17:20 (1h 10m)

This session is reserved for BOFs dedicated to continued discussions on topics presented earlier in the day (and other issues and ideas we should work on as a community). Contact the organizers if you have something you'd like to bring up.
