

Linux Plumbers Conference 2025

Contribution ID: 465

Type: **not specified**

Rust for Linux Office Hours

A Rust-related BoF to work together on several topics, to answer questions or resolve pain points from attendees, to get to know people interested in Rust and Rust for Linux and generally to have some more time for discussion on top of the Rust MC.

The list of topics will be added closer to the conference (and more may be added during the conference too).

Please feel free to join!
