What to do after PREEMPT_RT is accepted into mainline

Tuesday, 13 November 2018 16:50 (20 minutes)

Is there need to change anything how we maintain the stable-rt trees? Or should we focus all effort on supporting the mainline tree?

Potential attendees:
- Steven Rostedt
- Sebastian Andrzej Siewior
- Thomas Gleixner
- Tom Zanussi
- Julia Cartwright

I agree to abide by the anti-harassment policy

Yes
