

The background features a light-colored, stylized illustration of a city skyline. On the left, a large, vertical pipe with a blue section and a brown top section extends from the top. Below the pipe is a small black penguin icon. The city skyline consists of various buildings, including a prominent church with multiple spires and a clock tower. The sky is a pale yellow with soft, horizontal cloud-like shapes. The water in the foreground is a light blue with some darker blue patches.
