## RISC-V Platform Specification Progress

*Monday, 9 September 2019 10:00 (25 minutes)*

The RISC-V UNIX-Class platform specification working group started in May and aims to have a first release by the end of the year. This talk will discuss where we are and where we're going.

### **I agree to abide by the anti-harassment policy**

Yes

### **I confirm that I am already registered for LPC 2019**
