RISC-V Platform Specification Progress

Monday, 9 September 2019 10:00 (25 minutes)

The RISC-V UNIX-Class platform specification working group started in May and aims to have a first release by the end of the year. This talk will discuss where we are and where we're going.

I agree to abide by the anti-harassment policy

Yes

I confirm that I am already registered for LPC 2019
