How we're using ebpf in Android networking

Tuesday, September 10, 2019 5:15 PM (15 minutes)

A short update on eBPF in Android networking:

- how we're using ebpf in Android P on 4.9+ for statistics collection and Q on 4.9+ for xlat464 offload, with a focus on the sorts of problems we've run into
- where we'd like to go, ie. future plans with regard to xlat464/forwarding/nat offload and XDP.

I agree to abide by the anti-harassment policy

Yes
