

## BoF: Binutils

*Tuesday, August 25, 2020 7:00 AM (25 minutes)*

A BoF meeting for folks interested in the GNU Binutils.

Possible topics for discussion:

- \* Should GOLD be dropped ?
- \* Automatic changelog generation.
- \* Configuring without support for old binary formats (eg ihex, srec, tekhex, verilog)

### **I agree to abide by the anti-harassment policy**

I agree
